Dear General Spirey:

Described of the Special Study Group, I want wholebeartedly to express our expression of the assistance you have given as during our report visit to your Headquarters. Four hacid discussion, based upon your experience in Japan and with your present Command, gave we a better unterstability of the role of intelligence in the air defense problem, and has helped us to focus our attention on those elements of the problem which are must vital.

Flores accept our sincers thanks for the apportunity to discuss these unitors with you.

Yery sincerely yours,

Contract Special Study Group
